

Selendy Gay Partners Included on Lawdragon's 500 Leading Litigators in America

10/04/22

In their inaugural list of the **500 Leading Litigators in America**, *Lawdragon* named twelve of Selendy Gay's partners among the top litigators in the country. Partners included on the list are Sean Baldwin, Andrew Dunlap, David Flugman, Faith Gay, Maria Ginzburg, Jordan Goldstein, Caitlin Halligan, Lena Konanova, Joshua Margolin, Jennifer Selendy, and Philippe Selendy.

The list, a new publication for *Lawdragon*, recognizes attorneys who excel at representing mainly corporations and other organizations in litigating claims involving antitrust, securities, financial, M&A, intellectual property and patents, product liability, mass tort, white collar, government investigations and energy disputes.

Attorneys from more than 100 firms were selected from a record number of submissions and independent research focused on recent cases and defense verdicts or settlements, and whose sustained excellence in trials is nothing short of remarkable.

Selendy Gay's strong showing on the list reflects the impact of its work on commercial and pro bono clients, the frequency of its trial appearance, and variety of litigations, arbitrations and investigations the firm wins on behalf of clients. The firm regularly appears beside and against other major law firms in the US and around the world.
