

## Selendy Gay Partners Recognized as <em>Law360</em> Legal Lions of the Week

08/17/26

*Law360* named Selendy Gay partners Jordan Goldstein, Oscar Shine, and Corey Stoughton among its Legal Lions of the Week following a precedential ruling from the U.S. Court of Appeals for the Seventh Circuit in the Kim v. Jump Trading LLC matter. The Seventh Circuit held that courts, rather than arbitrators, must decide whether a dispute is subject to arbitration when the parties have not entered into an arbitration agreement, and that Jump Trading could not enforce an arbitration agreement between the plaintiffs and a third party.

Jordan, Oscar, and Corey represent the plaintiffs alongside Jonathan Zweig of Johnson Van Kwawegen LLP.
