

## Q&A with Jordan Goldstein and Oscar Shine: The Evolution of Crypto-asset Law

10/11/2023

Lawdragon featured Selendy Gay partners Jordan Goldstein and Oscar Shine in a discussion about the latest legal developments in the crypto-asset market and the firm's practice in this evolving industry.

Goldstein and Shine are at the forefront of crypto litigation and have secured a niche position in the market as lawyers who take on both plaintiff-side and defense-side cases in the space. Their knowledge and experience in this subject area enables them to help clients fight for greater financial, legal, and regulatory stability through the firm's work.

In addition to exploring some of the cases the firm is litigating, Goldstein and Shine discuss the surge of class actions and how the courts and regulatory agencies have shaped the crypto industry to date.
