

## Joshua Margolin Shares Insights into "Dexit" and Delaware's Corporate Governance with *Business Insider*

08/14/25

As high-profile companies continue to leave Delaware in favor of states like Texas, Nevada, Florida, and Wyoming, *Business Insider* asked partner Joshua Margolin for his insights into this growing business shift, often referred to as "Dexit."

An experienced litigator in Delaware courts, Joshua weighed in on the state's historical dominance in attracting corporations and the value of its decades-long experience navigating corporate disputes.
